Dear Judge CoHill, Jr. I am responding to your notice and order dated 2-15-2007, concerning my 28 U.S.C 2255 that I have recently filed in this Court. This notice is notifying me that I have three options pursaunt to U.S. v Miller 197 F.3d 644 (3rd Cir 1999).

I have choosen option number three which is to have my petition ruled on as filed (pro-se).

Please be aware that I want my issues ruled on substantively, and I am asking for a evidentiary hearing to resolve the disputes in my 2255.

Thank-you for your notification. I am looking forward to a fair and just review of my 2255.

Respectfully

Shaun Bennafield
